

Zensar Technologies

BUY

Revenue visibility intact

We maintain BUY on Zensar post an in-line 1QFY20. Strong deal pipeline, ramp-up of large deals and improving win-ratio provides revenue visibility. Margins are not showing signs of improvement despite revenue up-tick. We cut multiple to 14x from 16x on slow margin recovery and rising on-site cost. Our TP of Rs 265 is based on 14x June-21E EPS.

HIGHLIGHTS OF THE QUARTER

- Revenue stood at USD 153.3mn (+3.1% QoQ, +3.6% CC) vs. est. of USD 153.7mn led by growth in core business (96% of rev, +3.5% QoQ). Non-core (4% of rev) declined 5.4% QoQ led by MVS. Ramp-up of large deal wins is driving growth in the core business.
- Digital (49% of rev, +7.8/31.4% QoQ/YoY) is the key focus area. Zensar's investment in its Return on Digital (RoD) platform is a key differentiator and is visible in improving win ratio (50%) in cloud deals.
- Hi-Tech (39%) and BFSI (24%) grew 5.5/11.0% QoQ. Retail (19%) was down 10.7% QoQ due to completion of large projects and delay in client decision making. Cynosure (Guidewire SI) is driving growth in Insurance.
- Focus on strategic account mining has led to healthy growth in Top-5/10 accounts, up 17.7/25.3% YoY.

Adjusted core EBITDA margin stood at 13.3%, down 80bps QoQ led by lower utilisation, investments and currency. Target is to improve core EBITDA margins to ~15% through off-shoring, pyramid rationalization and lower sub-con expenses. 2QFY20 will have a full guarter impact of the wage hike.

STANCE: Growth visibility, focus on margin expansion

Zensar's organic growth has improved led by robust deal wins but the margin recovery is lagging. Higher on-site revenue mix, slowdown in Retail, drop in utilisation (fresher's hiring) and investments in the business are impacting margins. We expect gradual recovery in EBIT margins (10.7/11.0% in FY20/21E). Deal pipe-line is healthy at USD 1bn, ~60% of the pipeline is large deals (TCV >USD 10mn). TCV for the guarter stood at USD 160mn (including renewals) and USD 750mn (~50% net new) for FY19. We maintain our positive view based on (1) Focus on POC led Digital sales, (2) Robust deal pipeline and (3) Growth visibility in the core business. We build 12/16/15% Revenue/EBIT/PAT CAGR over FY19-22E. Risks include delay in execution of large deals, onsite wage inflation and deterioration in US/Europe macros.

Revenue came at USD 153.3mn up 3.6/18.8% QoQ/YoY CC. The reported revenue is ex-RoW business (non-core)

EBIT margin was flat QoQ but down 138bps YoY

Reported core EBITDA margin was 14.7% but adjusted for Ind AS 116 it is 13.7% down 80 bps QoQ

Subcontracting expenses is up 0.4/19.1% QoQ/YoY and stood at 15.1% of revenue

Depreciation and Interest cost was up due to Ind AS adjustments, net impact on EBITDA was +1.4%.

PAT was down 9.4% QoQ impacted by lower other income (absence of Rs 0.19bn gain from sale of RoW business booked last quarter) offset by higher Fx gain (Fx gain of Rs 108mn vs. loss of Rs 18mn in 4Q)

Deal TCV in 1Q was USD 160mn vs USD 250 in 4Q

Overall deal pipeline healthy with ~USD 1bn TCV in bid stage

~60% deal pipeline is into large deals (>USD 10mn)

We maintain USD revenue estimate but cut EPS by 4.7% in FY21 due to slower than expected margin expansion

INSTITUTIONAL RESEARCH

Disclosure:

We, Amit Chandra, MBA, Apurva Prasad, MBA & Akshay Ramnani, CA, authors and the names subscribed to this report, hereby certify that all of the views expressed in this research report accurately reflect our views about the subject issuer(s) or securities. HSL has no material adverse disciplinary history as on the date of publication of this report. We also certify that no part of our compensation was, is, or will be directly or indirectly related to the specific recommendation(s) or view(s) in this report.

Research Analyst or his/her relative or HDFC Securities Ltd. does not have any financial interest in the subject company. Also Research Analyst or his relative or HDFC Securities Ltd. or its Associate may have beneficial ownership of 1% or more in the subject company at the end of the month immediately preceding the date of publication of the Research Report. Further Research Analyst or his relative or HDFC Securities Ltd. or its associate does not have any material conflict of interest.

Any holding in stock -No

HDFC Securities Limited (HSL) is a SEBI Registered Research Analyst having registration no. INH000002475.

Disclaimer:

This report has been prepared by HDFC Securities Ltd and is solely for information of the recipient only. The report must not be used as a singular basis of any investment decision. The views herein are of a general nature and do not consider the risk appetite or the particular circumstances of an individual investor; readers are requested to take professional advice before investing. Nothing in this document should be construed as investment advice. Each recipient of this document should make such investigations as they deem necessary to arrive at an independent evaluation of an investment in securities of the companies referred to in this document (including merits and risks) and should consult their own advisors to determine merits and risks of such investment. The information and opinions contained herein have been compiled or arrived at, based upon information obtained in good faith from sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. Descriptions of any company or companies or their securities mentioned herein are not intended to be complete. HSL is not obliged to update this report for such changes. HSL has the right to make changes and modifications at any time.

This report is not directed to, or intended for display, downloading, printing, reproducing or for distribution to or use by, any person or entity who is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, reproduction, availability or use would be contrary to law or regulation or what would subject HSL or its affiliates to any registration or licensing requirement within such jurisdiction.

If this report is inadvertently sent or has reached any person in such country, especially, United States of America, the same should be ignored and brought to the attention of the sender. This document may not be reproduced, distributed or published in whole or in part, directly or indirectly, for any purposes or in any manner.

Foreign currencies denominated securities, wherever mentioned, are subject to exchange rate fluctuations, which could have an adverse effect on their value or price, or the income derived from them. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies effectively assume currency risk. It should not be considered to be taken as an offer to sell or a solicitation to buy any security.

This document is not, and should not, be construed as an offer or solicitation of an offer, to buy or sell any securities or other financial instruments. This report should not be construed as an invitation or solicitation to do business with HSL. HSL may from time to time solicit from, or perform broking, or other services for, any company mentioned in this mail and/or its attachments.

HSL and its affiliated company(ies), their directors and employees may; (a) from time to time, have a long or short position in, and buy or sell the securities of the company(ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.

HSL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on basis of this report, including but not restricted to, fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

HSL and other group companies, its directors, associates, employees may have various positions in any of the stocks, securities and financial instruments dealt in the report, or may make sell or purchase or other deals in these securities from time to time or may deal in other securities of the companies / organizations described in this report.

HSL or its associates might have managed or co-managed public offering of securities for the subject company or might have been mandated by the subject company for any other assignment in the past twelve months.

HSL or its associates might have received any compensation from the companies mentioned in the report during the period preceding twelve months from t date of this report for services in respect of managing or co-managing public offerings, corporate finance, investment banking or merchant banking, brokerage services or other advisory service in a merger or specific transaction in the normal course of business.

HSL or its analysts did not receive any compensation or other benefits from the companies mentioned in the report or third party in connection with preparation of the research report. Accordingly, neither HSL nor Research Analysts have any material conflict of interest at the time of publication of this report. Compensation of our Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. HSL may have issued other reports that are inconsistent with and reach different conclusion from the information presented in this report.

Research entity has not been engaged in market making activity for the subject company. Research analyst has not served as an officer, director or employee of the subject company. We have not received any compensation/benefits from the subject company or third party in connection with the Research Report.
